What is the *Aura*?

This publication was originally entitled "Aura" because the word means "spring breezes" and that was what the book was, a collection of the year's issues of the school paper, *The Breeze*. Today it goes beyond this, and is now molded into the form of a modern yearbook of people, places and memories.

We have attempted to capture and hold all these memories of our year, 1967-1968, in one book. This is the book. This is *The Aura*.

Sport World Is Tops

This was a very good year for Flyer sports. In football our high school record was broken. In wrestling, the championship was again returned to Lake High. Our basketball season proved to be an exciting one. Even though the records indicate we were only fourth in the league, all our fans know scores were much closer than records indicate.

Crystalline Christmas was the theme of the 1967 Snowflake Ball. This year the top ten candidates were introduced before the student body at the Christmas assembly. At the dance held on December 23rd, the Queen and her attendants were announced.

Because this was pre-Christmastime, we reduced the number of trees to one large Christmas tree, located in the front center of the auditorium. This large tree held the special snowflakes which had the couples names written on them. Silver trees and colored lights accented the atmosphere.

"Hawaiian Paradise" was the Theme chosen for the 1967-68 annual Sno-ball. The selection of queen and king candidates came from the extra-curricular organizations of the junior high. Each club nominated a queen and king candidate having a total of 14 persons up for the positions of royalty.

Oklahoma

"Oklahoma," a brilliant musical by Rogers and Hammerstein, was performed by the Vocal Music Department to captivated audiences. Love and laughter were the predominant themes of this rollicking story. Hard work, plus a sprinkling of fun, produced a polished production.

Backwards Dance Gives New Twist to Dating Procedures

Lots of color, kingly honors, and square dancing made a memorable night for all those who attended the Spring Kaleidoscope, 1968 Backwards Dance.

This dance was sponsored by the Student Council with the proceeds going to the March of Dimes.

This new twist in dating for the night was that all expenses were to be paid by the girl. Thank goodness it was only for a night.

The 1968 Senior Play "The Man Who Came to Dinner" was the last major activity of the class as a whole. This play, probably the most sophisticated ever done at Lake, was presented May 10th and 11th in the auditorium.

The plot centers around the famous orator, Sheridan Whiteside, who "accidentally slips into the life of the Stanley family." His unnecessary stay, as well as countless visits from some of his many interesting friends causes complications for Mr. and Mrs. Stanley. Eventually he was forced to leave and in doing so, slipped on the doorstep, bringing about a return engagement to the horror of the entire household.

Debonaires Perform H.M.S. Pinafore

Audiences Overwhelmed by Gilbert and Sullivan's Unforgettable Play

The Debonaires performed a shortened version of Gilbert and Sullivan's comedy "H.M.S. PINAFORE," at various community functions, including the Lake-Northwood Kiwanis Banquet, the Spring Concert, and the Alumni Banquet. This satire on the British Navy was delightfully received by all audiences, and was enjoyed even more by the performers.

"Go Ribald, to your cabin with celerity" says Blair Minning, as Sir Joseph Porter K.C.B., to Skip Baker as the Captain.

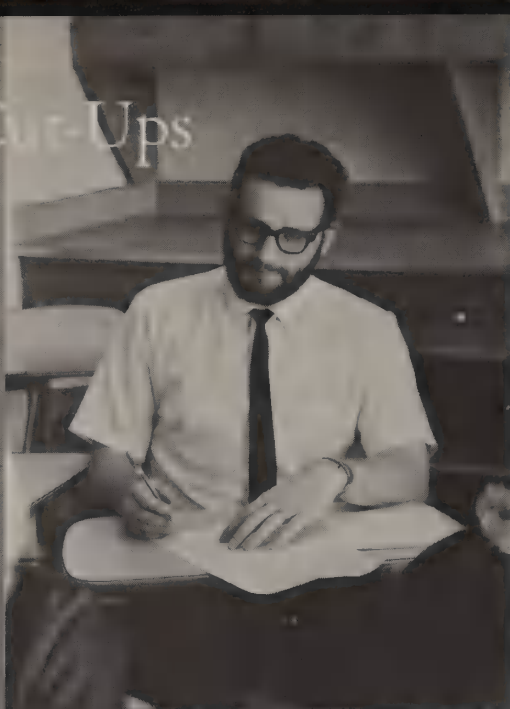

His sisters, and his cousins, and his aunts were played by Linda Diekman (not pictured), Vicki Smith, Mary McLaughlin, Sara Hammond, Cheryl Lee, Terrie Garner, and Kathy Moyer as Buttercup.

The hearty crew of the Pinafore includes Terry Gaul, Hugh Hosafros, Tom Herman, and Ron Judy, as Dick Dead-Eye. Not pictured are Tom Dudderar, and Larry Keeton.

Kevin Taylor, as Ralph Rackstraw, proposes to Melanie Farley, as the Captain's daughter, Josephine.

The team was especially honored when one of our quarterbacks, Mark Trace, was named as the player of the week in "The Toledo Times" for throwing two touchdown passes during the Springfield game.

The team's strength was weakened somewhat with the injuries of B. Wegman, B. Clapsaddle, and M. Trace.

All members of the team were honored at the Fall Sports banquet. Blair Mining received the "Most Improved Player" award with Captain Dan Prewitt voted as the "Most Valuable Player."

Early in the season Derk Jackson was voted as team captain. He was the only wrestler to progress on to the district meet where he was finally eliminated.

Lake's wrestling queen was Sally Robinson.

The 1967-68 wrestling team also won the Napoleon Conference and placed 3rd in the Eastside Tournament at Northwood.

Harold Merritt was announced as the "Most Improved Player" and Derk Jackson was honored as the "Most Valuable Player" for the second year in a row.

Cross Country: It Takes Endurance

Row 1: K. Taylor; G. Lawson; T. Littlefield; E. Feeney. Row 2: T. Pruiett; R. Schamberger; M. Calmes; R. Bryan; R. Hamilton; Coach Winchell.

Cross Country race participants (the schoolboys who run in their underwear on cold days) need a two mile course up and down hills.

At Lake High School, the coach, Ray Winchell, had trouble mapping a course. Besides flatlands, the school is hemmed in by the newly activated Toledo Municipal Airport, railroads, and the Detroit-Toledo Expressway.

The route finally selected by Mr. Winchell didn't work out too well. Tom Littlefield, Ralph Hamilton, and Rick Schwamberger lost a race when they were held up by a slow-moving freight train. Gary Lawson, Randy Bryan, and Ed Feeney had to go off course to avoid a low flying airplane. And Tom Pruiett fell into a pond.

Lake always has a quick finish so keep running boys. J. Hoffman, K. Taylor.

Although this years track team seemed to be mediocre on the record book placing 5th in the league, individual records were broken. Mark Trace set the high jump up 6'4", Bob Warns (jr) cleared the pole vault at 12'2", and Ed Feeney ran the 880 yds. in 2:04.5.

The Most Valuable Award was voted to Ed Feeney with the Most Improved Award going to Steve Hopper.

In league tournament Mike Obrock placed 2nd in the high jump with Mark Trace taking first in the high hurdles. Ed Feeney came in 5th in the mile run and the mile relay team consisting of Blair Minning, Mike Calmes, Steve Hopper, and Ken Shiffert placed 4th.

Activities and Organizations

Pep Club Is Spirited People

Senior High and

Paint-splattered clothing is a common sign of a Pep Club member, but painting pep signs is not the only way these energetic people contribute to school spirit.

The advisors of both Pep Clubs, Mrs. Phyllis Hartwell in the Sr. High and Miss Joyce Taulker in the Jr. High, were actively involved in the planning of their clubs' projects.

To help school spirit along, Flyer "stop signs" were sold by the Jr. High club and "I Believe" buttons, designed by Mrs. Hartwell, were sold by the Sr. High club. The Snoopy "image" was boosted by the sale of the "I Believe" buttons, and as a result, the chant, "We Believe!" became a popular and successful spirit booster at basketball games.

Both Pep Clubs fulfilled their goal of promoting spirit and enthusiasm for school activities.

The Flyerettes

Under the supervision of Mrs. Sally Radlinski, the Flyerettes of 1967-68 completed a successful season. This group, boasting an increased membership of 18, began practicing in September in order to perfect several intricate dance routines for performance during the basketball season.

This group also proved their talents by helping to choreograph and execute several different dance routines in the choir's production of "Oklahoma".

The Flyerettes, through many hours of practice, have been able to perform successfully, and, in doing so, have won the respect of the student body and the community.

Vibrant Twirls, Snappy Salutes

After performing in high-stepping half-time programs during football season, the Senior Band members settled down to prepare for the concert season.

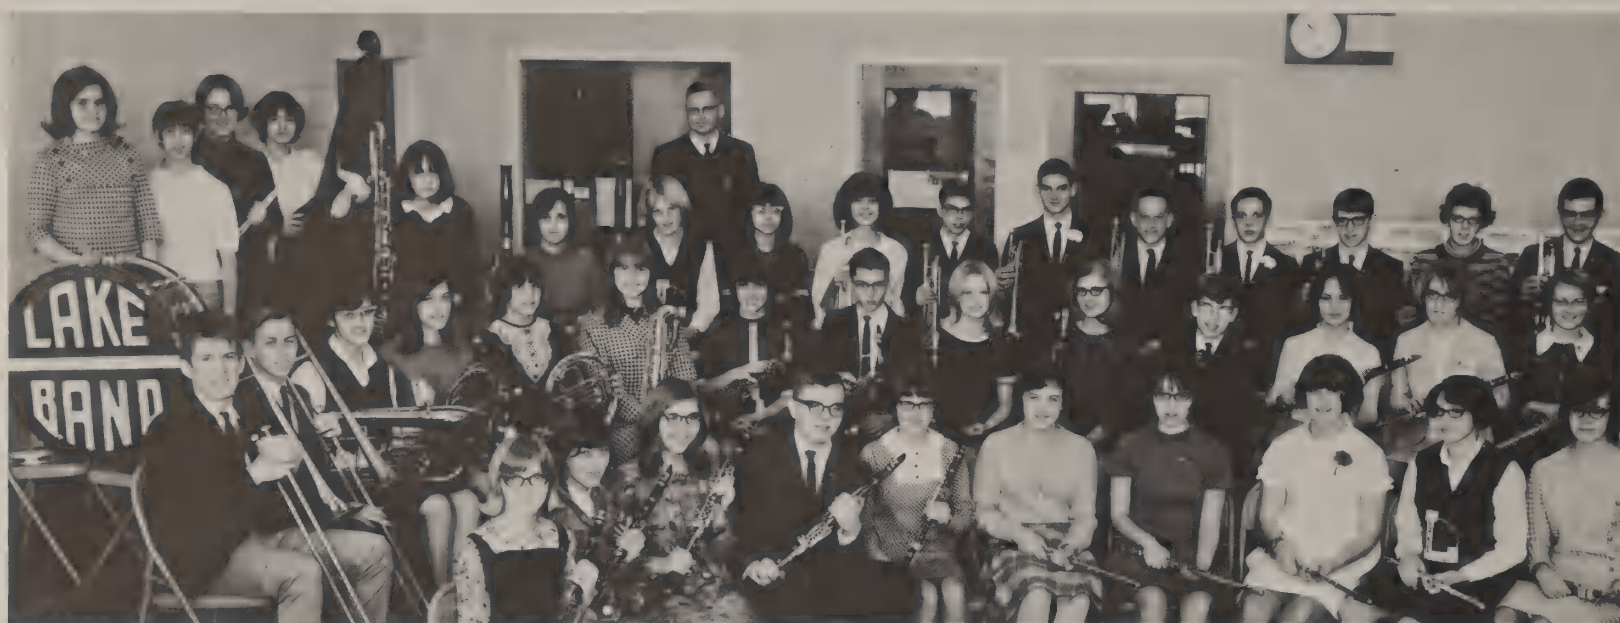

A spring concert, which Mr. Widdowson described as a "musical banquet," was presented in the high school on April 26th. The first half of this concert included selections of many different musical styles which were presented by the Freshman and Senior Bands, and, as an extra feature, a piano solo by Robert Hammond. The theme of the second half of this concert was "We Will Remember," a patriotic 50th year program on World War I which featured selections by the Sr. Band, a dixie-land combo, vocal solos and duets, a song-and-dance routine, piano solos, and an audience sing-along.

An important goal for this year's band members was working toward the upcoming tri-annual band trip, which was a three-day excursion to Cincinnati's Coney Island. For this occasion, a uniform which featured a royal blue blazer with a specially designed insignia, was worn by all band members.

Under the capable direction of Mr. Raymond Rideout, the Senior Choir and Debonaires had a very productive year.

During the fall, Sr. Choir participated in a concert at Waite Field House which featured seven area high school choirs.

Exchange Concerts at Elmwood and Northwood were also on the list of choir activities.

The Debonaires had several concerts at area meetings and programs.

The highlight of the year was the production of "Oklahoma!" late in March. This musical combined the talents of the Sr. Choir, Debonaires, and the Men's Glee Club.

Develops Leadership

Student Council, advised by Mr. Spence Gilchrist in the Sr. High and Mr. Richard Washeck in the Jr. High, is an active organization at Lake. The goal of Council is to serve as a device for students and faculty to discuss common problems and give voice to student opinion.

Inter-club council, composed of the president or a representative from all of the clubs and organizations in the high school, aids the student council in the planning of school functions such as the Homecoming and Snowflake.

Librarians Serve Student Body

Senior High Librarians

The librarians, in both junior and senior high school volunteer their services to provide an efficient and organized library for student use.

Miss Dorothy Gebauer, full-time librarian for the senior high, has operated the library with efficiency. She has not only revised the operation of the library, but she has used her imagination and ingenuity in creating artistic displays to decorate it.

The Breeze staff worked daily to produce a bi-weekly paper with all the news of our school. From reporting, correcting, and organizing to justifying and scoping, the staff did a fine job of keeping their public informed. The highlight of the year was the publication of the *Senior Breeze* in orange and yellow, which contained the will and prophecy of the Class of '68.

There is always a job to be done, either typing like Mike Sehr (above) or Kris Sander (upper left), or scoping like Todd Belch (lower left).

Education...our greatest CHALLENGE...

There is no challenge to our modern society and no opportunity greater than educating our youth.

The old adage that says, "True intelligence is the power to adapt," has never held more meaning.

We have had and will continue to have a knowledge explosion. Four times as much is known today as was known in 1935.

U. S. Department of Labor studies point out that an individual's asset of experience increasingly will carry less weight than

his level of education. Many occupations of the future are not now even in existence.

The only sound educational target for such a future is to plan for these occupations which do not yet exist. Students must be able to learn how to learn and to apply themselves to new conditions as they arise.

This is no vocational assignment alone. Our nation needs intellectual as well as material growth. Our nation needs citizens as much as workers.

Owens-Illinois is but one of the hundreds of American business organizations concerned by this challenge and actively engaged in specific ways and means to meet it.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity ☐ The yearbook provides a lasting memento of the year's accomplishments ☐ The diploma is a lifelong record of scholastic success ☐ The graduation announcement heralds this achievement ☐ Awards recognize academic and athletic leadership.

ARE YOU SATISFIED?

Grownups know that personal grooming is important if you want to "get ahead".
Teenagers sometimes forget to look at themselves objectively.

So that boys and girls could see themselves as others see them, a full-length mirror was installed in the main corridor of a high school in Buffalo, N. Y.

Boys checked shirttails and trouser lengths—even started wearing coats and ties. Girls stopped to tuck in blouses or rearrange their hair. Renewed pride came to this school—all because of a mirror!

When you buy a mirror, be sure it's made of L·O·F Parallel-O-Plate® glass, twin-ground for truer reflections and more freedom from distortion. You'll find a wide selection at your furniture, glass or department store.

A mirror is a "must" at school . . . at home . . . anywhere. Always check your appearance before going out. It's a good habit to form and others will notice.
